

# *St Alban's Community Garden News*

## *Community Garden Produces a variety of vegetables*

Although our Community Garden has only been in operation for three months, we have produced a variety of vegetables. Some samples of these are shown below;

Tomatoes

Spinach and leeks

Lettuce

Broad beans

Zucchini

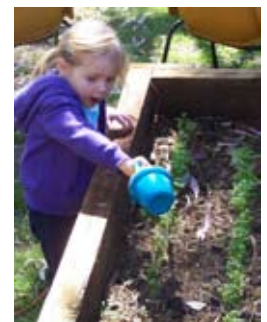

Two types of mint

Pumpkins

Strawberries

Carrots

*St Alban's Community Garden acknowledges with thanks the support provided by Lake Macquarie City Council, Hunter Water, Bunnings, Sal's by the Lake, King Street Depot and Custom Espresso*
