Father of all,  
who gave your only begotten Son  
to take upon himself the form of a servant  
and to be obedient even to death on a cross:  
give us the same mind that was in Christ Jesus,

we may come to be with him in his glory;  
where he lives and reigns with you and the Holy Spirit,

**PARISH DINNER TUESDAY 12 FEBRUARY** - Hope you can join us 6.30pm for 7pm.

Mahatma Gandhi once said "be the change you want to see in this world". Implicit in this is that change must be sustainable. This month, paediatric surgeon John Cassey and Steve Threlfo, a retired Biomedical Engineering Technician will speak about MESCH - Medical and Educational Sustainable Community Help - a Newcastle based organisation established 9 years ago to help build communities with sustainable aid.

MESCH recognises that people are the best judges of their own needs, with a focus on working with people to provide education and training to help them solve those needs. Recent projects include coordinating medical responses to road trauma and facilitating employment opportunities for visually impaired people in Vietnam and helping to establish a sewing business to create employment opportunities in Vanuatu. ### **Amplification**

It has been brought to my attention that, on Sunday, one of the sound speakers wasn't working. Had this information been relayed during the service, an attempt to rectify would have been possible. So, please, if you think the system needs adjusting, let the operator know during the service and hopefully it can be rectified for the remainder of the service. The sound desk team aim to please to enhance your worship.  
Helen.
