

A Vision Statement describes what we believe God wants our congregation to look like in the future

Vision Statements to Guide our Parish

- 1 We want to be a church where all people are affirmed and equipped to live loving Christian lives in their homes, in their neighbourhoods and at places of employment.
- 2 We want to be a church that provides a variety of opportunities for people, both within the church and in the wider community, to grow in their relationship with God and experience the joy of the Christian Faith through knowing Jesus Christ.
- 3 We want to be a church that offers a variety of worship styles that are relevant, engaging and fulfilling, and which take place in an environment where people feel comfortable.
- 4 We want to be a church that provides opportunities for people to develop supportive Christian friendships within our congregations at St Alban's and St Martin's.
- 5 We want to encourage church members (individually and as a group) to offer service to the local community and the wider world as an act of Christian generosity.
